An original receipt dated within 30 days of the original date of purchase is required for all returns and exchanges of air conditioners, gas powered equipment, and jewelry and watches. It may be necessary to ask for identification for any return transaction. Returns without a receipt will not be accepted.

All returns and exchanges must be in the original packaging and contain all the original accessories. Some items, including music, movies, computer software, video games and sports/toy collectibles, will not be returned if they have been opened. For other items, including folding guest beds, air/inflatable beds, continuous air bouncers, water slides, pools, gas powered lawn equipment, power tools, scooters over \$149.99, specialty occasion clothing, video camera/camcorders, handbags, jewelry and watches, if the original packaging has been opened or tags and/or labels have been removed the items will only be exchanged with an identical item or a substantially similar item of equal value. Replacement products obtained in an exchange transaction will only be exchanged and are not eligible for a refund. Returns and exchanges are not allowed on any prescription drugs and special order jewelry.

Refunds will be issued in the original method of payment with the exception of purchases made by check – refunds will be given as cash.
